New Brunswick, N.J.

Dear Sir:

Thank you very much for the bronze medal of the Society of Economic Geologists, which arrived today. It is very unusual in its form, and in addition to the honor of its award, the recipient will have something which is attractive in itself.

I am enclosing a formal acknowledgment; and if you should think it desirable, I should appreciate it if you would convey to the Society our appreciation of their having presented this copy to our Collection.

Very truly yours,

Secretary
